

# Wonderland Lifestyle Nursery Store Vendor Application Form

We continually accept vendors (month to month) on a rotating basis so apply anytime! Please fill in this form and email it to [ndebeer@wlnursery.co.za](mailto:ndebeer@wlnursery.co.za)

If you need a reminder about our vendor options and what is required for each please see our [STORE VENDOR AGREEMENT](#) page.

*A couple of tips to speed up your application:*

- Emailing a pdf to [ndebeer@wlnursery.co.za](mailto:ndebeer@wlnursery.co.za) of product photos or a catalog with retail pricing is helpful and may speed up your acceptance. Especially if we have never seen your products.
- ***We prefer products that are handmade, designed or manufactured locally.*** We do accept products that are manufactured elsewhere or mass manufactured but we will always pick first those that have a "locally made" aspect or have your touch on them. Make sure to be clear about how you are involved in your business and how local the aspects of your products and business are in your application. A small locally run business that doesn't manufacture all their products can still be accepted.
- Products with great branding always get more attention from us and our customers.

**Please fill out the form to the right as fully as possible to be considered. We will try to get back to you quickly about your application.**
